Quote for thought shared by Lynn:

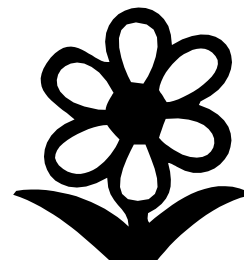

"A portrait is not a likeness," Richard Avedon said at the time of "In the American West."

"The moment an emotion or fact is transformed into a photograph it is no longer a fact but an opinion. There is no such thing as inaccuracy in a photograph. All photographs are accurate. None of them is the truth."

The club voted to spend \$52.00 (same as last year) to help fill a basket of local area items for donation to the silent auction event at the 4C convention Sept. 23-26th in Florence OR. We need someone's to handle donations, purchases and put it together. Volunteers let Larry or myself know.

Club Website - Peggy is still looking for club member biographies. Also if you notice something that needs changed, added, suggestions on the website let her know.

Club Picnic - If you have ideas regarding let Lynn know. (She will be out of touch the 1st half of June). Date? July 15th or July 22nd?
